

Let's find the signs of Spring!③

♪Little Garden (Chiisana Hatake)

While cultivating the small garden I planted the small seeds
They grew and grew and spring came
and small flowers began to bloom
(Pop ♪)

At school we cultivate many different gardens
(like medium, BIG, floppy, spiky, etc...)

(You can check from Youtube, but there are many different versions.)

Easter decorations

Roly Poly (pillbug)

Violet

Bird's egg(s)

Cherry blossom

Butterfly

Earthworm

Clover

Forsythia
